

**Do you know a scouter in your unit who
always seems to be there, and can be
counted on everytime?**
**Then nominate them for the National Pike
District Outstanding Scouter Award!**

Outline of Program

1. All registered units are invited to submit, in writing (see reverse side), an application for up to 2 scouters to receive the award.
2. A nominee must be a registered scouter in the National Pike District and be currently serving the unit from which the nomination is submitted.
3. All recommendations must be received by the April roundtable (4/13.)
4. The award will be presented at the National Pike Fellowship Dinner on June 2nd. Recipients of the award will be notified ahead of time and the members of the unit are highly encouraged to attend to congratulate the scouter.
5. Each unit may receive up to 2 awards. The Advancement Committee will review all nominations.

**So get the leaders of your unit together and nominate some of
your own for the recognition they so richly deserve. And then
come on out to the District Fellowship Dinner and join in the
celebration of some truly special people, the Scouters of the
National Pike District!**

Please submit all nominations to:
