Basic Adult Leader Outdoor Orientation (BALOO) is a course for one or more members of the Pack in how to plan outdoor excursions and camping trips for Cub scouts. Every pack should have a trained BALOO leader.

A day of fun and learning prepares pack leaders to plan and carry out “entry-level” outdoor experiences, which are safe and appropriate for Cub Scouts. Although this training is not required for all Cub leaders, at least *one member of a Pack must be BALOO Trained in order for their Cub Scout Pack to be authorized to go camping.* This training is focused on the Cubmaster or committee member in charge of pack camping, and is recommended for den leaders. With proper planning and your trained leader, your pack should be set for a fun and exciting weekend event.
